-2-

1. This is supplemental to the Office Action mailed 4 April 1996 paper # 4. During the preparation of the PCT the examiner noted that there was an error in the grouping of claims. Claims 18-20 which depend from rejected claim 17 were erroneously indicated as allowable rather than being rejected. Any difficulty is regretted.
2. Claims 17-20 are rejected under 35 U.S.C. § 103 as being unpatentable over either the well known prior art, the "Eyeing the consumer" article or Dinerstein in view of the disclosed prior art in Tai for the reasons set forth in paragraph 4 of the last Office Action paper # 4. Regarding claims 18-20, using a name or address is an obvious way to track or identify a specific consumer or household.
3. Claims 1-16 are allowed for the reasons set forth in paragraph 5 of the last Office Action paper # 4.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Shepperd whose telephone number is (703) 308-0091.
